**INSPIRING GREATNESS**

**Marnus Broodryk**

Mr Marnus Broodryk is the founder and CEO of The Beancounter, an accounting firm which provides out-sourced accounting services to SME's. He is a thought leader and advocate for small business owners.

Broodryk is also a familiar face on television, in 2016 he participated in M-Net's reality series Shark Tank South Africa and hosts a weekly insert on KykNET's Winslyn where he shares advice and tips with aspiring and established entrepreneurs on how to start, manage and grow a successful business.

**Mbali Bhengu**

Ms Mbali Bhengu is the founder and managing director of MIND SWITCH. She has many years of experience in sales in various fields that she has worked in from retail banking, brand ambassadorial roles as well as modelling. Her keen interest and passion in entrepreneurship as well as brand management is what has helped her to create the brand, MIND SWITCH.

**Suvina Singh**

Ms Suvina Singh is the Director of Intellectual Property and Commercialisation at UKZN InQubate – UKZN's knowledge and technology transfer office. She is also an attorney of the High Court of South Africa and practiced intellectual property law at Edward Nathan Sonnenbergs. Her experience in the innovation sector spans over seven years where she worked at government funding agencies including the Technology Innovation Agency and LIFElab, where she assisted SMEs and start-ups to develop their businesses by commercialising their technologies.
